It was unanimously agreed that the draft minutes of the Parish Council meeting of 26th January 2016 be accepted.

Item 5 – Matters arising from the meeting of 26th January 2016
  • Crown Waste Management – Chicken Broiler application.
The Application for the Chicken Broiler was refused at the Planning and Development Board Meeting of the 7th March 2016. The Applicant has 6 months in which to appeal. Refusal was granted on two grounds: 1) The Odour Impact to the immediate houses in particular Brook Farm. 2) The risk to local Roman Archaeology.
Dr Ian Holdaway submitted a report to the Parish Council highlighting the need for the Action Group to support the Borough Council in the collection of evidence should an appeal be lodged. The Clerk will ask the Borough Council to inform us of the process if an appeal is presented.
Mrs Healy suggested that West Midlands Planning Aid could be contacted and Borough Councillor Mrs D Clews will be asking to see all 506 objections to look more closely at the reasons highlighted.

  • Local Council Award Scheme.
All information was submitted to John Crossling from WALC in November 2015, who was happy that the criteria had been met. The Portfolio has been sent to Three Assessors and has passed the Audit. Two of the Assessors have responded asking for further details on Risk Assessments and The Neighbourhood Plan. Once we receive all of the comments then the Clerks will make the necessary amendments.

Signed Date:
• **Wording of Precept.**
  Mr J Arrowsmith raised a point about the wording of the Precept in the recent Mancetter Matters Publicity. Although the Parish Council voted for Option B to maintain existing finances, the reduction in the Transition Grant does mean that Council Tax Contributions will increase slightly as a result. This will be explained in more detail at the Annual Parish Meeting on 24th May 2016. It was decided not to submit further information to the Mancetter Matters Magazine.

**Item 6 – Report from Police**
• There was no police report and apologies were sent.

**Item 7 – Report from Borough Councillors**
Councillor Mrs D Clews advised the Parish Council that she is always available to help with any issues. Mrs Healy commented on the state of the roads in Church Walk, Priory Walk and the Manor Road Industrial Estate. The process for reporting pot holes and lighting issues has changed and problems can no longer be sent directly to Jane Pritchard by Parish Councils but have to be put through the general reporting system. Councillor Clews suggested contacting County Councillor Mr C Clark to advocate on our behalf. Councillor Clews left the meeting at 7.30pm.

**Item 8 – Planning Applications/ Matters**
The following applications were discussed:

**Emergency Stopping place for up to 12 travellers in Ansley Parish**
Mr Hopkins advised that this application has now gone to a Judicial Review. The Borough Council voted unanimously to ask to meet with the County Council to discuss how this application has been dealt with.

**Land to side and rear of 90 and 92 Mancetter Road (The Plough)**
The application is now going to be for one property as opposed to the two originally proposed. Mr Hopkins commented that he would prefer a Dormer Property to complement the architecture of the Alms Houses opposite. Car Parking should also be contained within the grounds.

**New Applications**
PAP/2016/0045 – White Gate Farm – Temporary agricultural tied dwelling: Approved.
PAP/2016/0105 – Fir Tree Paddock – Variation of conditions: Original application changed to one building instead of two. Mr Hopkins noted that the Utility Room was still on the large side but no objection was raised in principle.

**Permitted development notification – Telecoms Birchley Heath Road Ridge Lane:** Will go ahead.

**Item 9 – Neighbourhood Plan**
The Character Assessment has been completed other than a small piece on the old school currently used by Wathen Grange.
Two Exhibitions have been held one at Mancetter Memorial Hall and one in Ridge Lane to present the Neighbourhood Plan. Newsletters and Questionnaires have been delivered to the entire parish and more questionnaires have been returned than last time including responses from the outlying farms and a canal boat. There is a week to go to the end of the consultation period and the current planning grant is on course to be used by the end of March. A third grant application will be made in April 2016.
Item 10—Any other Parish Business

- Re-Location of Parish Office
  A proposal will be submitted for consideration at the Mancetter Memorial Hall Meeting on Wednesday 6th April 2016. The proposal outlines moving to the Hall for 10-15 hours a week, on a three month trial from May 2016. The Hall will be asked for a costing. Broadband would initially be shared and the Hub room utilised as an office space with a printer installed in the lockable kitchenette. At the end of the trial period both parties can make a decision on whether to move permanently and agree a package price. Installation of a phone line and broadband as well as the storing of archiving and change of Registered Address can then be considered. It was agreed to keep the Parish Council Meetings at the schoolroom and purchase additional e-mail boxes. The e-mail system will be looked at in more detail by Mr J Arrowsmith and the Parish Clerks.

- WALC Annual Briefing Day 12th March 2016
  Mr T Hopkins and Mrs E Higgins attended the training day in Warwick. The Theme of the day was Inspiration/ Ideas brought about by financial cutbacks and how to maintain services by looking at creative ways of working. Devolution of services is becoming more widespread and Parish Councils need to be aware of the implications of taking over land and services from both a management and financial perspective.
  Mr T Hopkins suggested that we consider making a funding application to WREN to install anti-vandal exercise machines in the play areas in both Mancetter and Ridge Lane to promote Well-being. He also felt that as a Parish Council for new build developments we should be encouraging NWBC to add fibre optic broadband at the point of build.

- Production of Half Yearly Calendar
  The Calendar of Meetings relating to the Parish from April to September 2016 was issued at the meeting. All Councillors felt that it was beneficial and that it could also be published on the website.

- Issue list of dates for Parish Council Meetings May 16 to March 17
  Dates of meetings booked in the St Peter’s Church Schoolroom were distributed to all Councillors.
  Mrs Meads shared with Councillors the intention of Mr C Tooby to stand down at the Annual Parish Meeting in May.

- Parish Council Grants
  A Grant of £196.00 was awarded to Mancetter WI for a centenary bench to be situated in Mancetter Cemetery.
  A Grant of £90.00 was awarded to Mancetter Memorial Hall to support funding a first aid course for local residents. Both Proposals were Proposed by Mrs S Healy and seconded by Mrs G Forknall and carried unanimously.
