

Mancetter Village Community Association are pleased to announce that the **BOB bus** made an **additional stop** on its busy schedule to attend their **Family Fun Day** on Saturday August 15th on the Recreation Ground on Brook Walk.

Lots of information was available from the local Credit Union, Family Information Service, Adult Learning and the North Warwickshire & Hinckley College as well as many more.

The event was well attended by local families in Mancetter who joined in a fun afternoon, whilst raising awareness of community services available in the area. Thankfully the weather was good and the Mancetter Village Community Association was kindly supported in their efforts to hold this Fun Day by the Heart of England Community Foundation.

Many attractions included a wonderful opening dance by the Longfen Lion Dancers, followed by a fascinating and entertaining demonstration by the Nuneaton Dog Training Club. There was a mini-football tournament as well as lots of other FREE entertainments for all the family including a bouncy castle.

A plant stall, a tombola, skittles, and face painting all raised additional funds, which will go towards the planned Children's Christmas Party to be organised by the Community Association on December 5th.

The local Fire Brigade allowed children to climb all over their fire engine as well as giving a display on home safety, and representatives from the Air Ambulance Service were in attendance.

Mancetter Village Community Association would like to thank everyone involved in organising and supporting this event and making it such a success and we look forward to this becoming an annual event.
